CARROLL COUNTY AGENCY UPGRADES TO TACTICAL-IPSM

STEVENSVILLE, Md. (January 12, 2009) – Incident Communication Solution's, LLC (ICS) announces that Carroll County Sherriff's Office Mobile Command Unit (MC-1) has been upgraded to ICS' Tactical-IPSM Satellite service, giving the Maryland agency improved communication capability.

The Tactical-IP satellite service upgrade gives the Carroll County Sheriff's Office MC-1 a reliable and economical solution that establishes voice, video and data links from any incident, regardless of location or condition.

The Carroll County Sherriff's Office Mobile Command Unit will now operate using ICS' Tactical-IP "Responder" Broadband Satellite Service Package which gives the unit full communications capabilities in any situation. The "Responder" package offers 10 days per month usage for \$325 per month.

About ICS: Incident Communication Solutions, LLC, is a technology solutions provider specializing in the design, development and implementation of IP-based emergency communications. ICS provides turnkey solutions in voice, video and data for first responders, disaster recovery and continuity of operations. For more information, visit www.incidentcommunications.com.
